

ADM Cloud Support – Pricing Document

This document outlines standard pricing for ADM Computing's Cloud Support services under the G-Cloud framework. All prices are exclusive of VAT. Product and service costs may vary depending on project scope and supplier pricing at the time of enquiry.

Labour Rates

Labour Type	Rate
Cabling (Day Rate)	£525 per day
Standard (Day Rate)	£825 per day
Standard (Hourly Rate)	£110 per hour
Standard (Hourly Rate, Support Customers Only)	£90 per hour

Product and Service Costs

Product and service costs are variable and will be provided upon enquiry. ADM Computing works with a range of technology partners including Microsoft, Sophos, Veeam, Dell and Wasabi. Pricing depends on configuration, quantity and licensing terms at the time of request.
