1.3 Annual Support and Maintenance

Product Code	Product Description	Annual Cost (Excl. VAT)
0035	Software support and Maintenance - (Annual Cost)	20% of Long Arm® Licence cost

	Where fewer than 50 Long Arm® licences are purchased, an annual software support and maintenance fee applies, equal to 20% of the Long Arm® licence cost.	
0053	Firewall (Single) Annual Support/Maintenance (Annual Cost) This includes the on-going support and maintenance of the firewall during its manufacturer supported lifecycle from Year 2 onwards.	£310
0057	Firewall (Dual) Annual Support/Maintenance (Annual Cost) This includes the on-going support and maintenance of the firewall during its manufacturer supported lifecycle from Year 2 onwards. .	£640
0044	Hosting of Z-Scaler End Points (Annual Cost) This is chargeable for Year 1 onwards	£3,715
0043	Annual Support/Maintenance of Z-Scaler End Points (Annual Cost) This is chargeable for Year 1 onwards	£743

1.4 Pricing and Discounts for Long Arm, Collaboraite and Long Arm Browser Licences

Time Limited Fixed Discount Rates apply for the initial contract term, ensuring pricing remains fixed at the discounted rates effective on the start date. Any renewal or extension will be subject to prevailing rates at that time, with previously applied discounts potentially reduced by up to 5% per full year of the prior term.

Volume-Based Discounts

- Tier 1: The first 50 licences are charged at list price.
- Tier 2 and beyond: Additional licences are charged at discounted rates, which vary based on the total quantity purchased and concurrency. Buyers will see an average cost per licence across tiers.

Discounts apply only when purchases exceed Tier 1 thresholds for each product. Long Arm Browser discounts vary based on the number of Long Arm Browser licences purchased, the quantity of Long Arm Desktop licences held, and applicable concurrency levels. Licence quantities for Long Arm, Collaboraite, and Long Arm Browser cannot be aggregated for discount qualification.

Additional Licences purchased mid-term are charged at the current rate and prorated to align with the existing renewal date.

2. Nexus Scalable Solution Pricing

2.1 Onboarding and Setup Costs – One Off Costs

Product Code	Product	Product Description	One Off Cost
0070	Onboarding	For new Nexus customers, an onboarding fee is chargeable for the tenancy setup & creation	£750.00
0071	Tenancy Separation	If a single customer requires further separation between teams, a sub tenancy can be created to silo audit data, views and access between containers.	£350.00

0072	Virtual Number Setup	Each virtual number has a one-off setup charge	£30.00
0073	Handset	Supply, setup of a supported and approved physical handset	£285.00
0051	Firewall Single VPN Appliance and Standard Integration Services (One off cost) *	Integration service is required where this is no existing IIS Cloud integration. This product code assumes a physical device will be deployed as part of the integration.	£2,700.00
0055	Firewall Dual VPN Appliance and Standard Integration Services (One off cost) *	Integration service is required where this is no existing IIS Cloud integration. This product code assumes two physical devices will be deployed as part of the integration.	£5,500.00
0058	Non-Standard Installation & Integration – Single Appliance (Single Appliance – Non-Standard Integration - One off Cost)	Integration service is required where this is no existing IIS Cloud integration. This product code assumes an existing compatible customer device will be utilised as part of the integration.	£2,000.00
0059	Non-Standard Installation & Integration – Dual Appliance (Dual Appliance – Non-Standard Integration - One off Cost)	Integration service is required where this is no existing IIS Cloud integration. This product code assumes an existing compatible customer device will be utilised as part of the integration, distributed across resilient connections.	£2,900.00
0046	Setup and testing of Z-Scaler (One off Cost)*	Integration service is required where this is no existing IIS Cloud integration. This product code assumes a Z-Scaler device will be deployed as part of the integration.	£3,250
0015	Mobile Access Named User Licence – 1Yr	Access via Mobile Access Licences This is an annual cost per user	£100

***Please see section 3 for on-going support and maintenance costs for Firewall and Z-Scaler access.**

2.2 Nexus Software & Licencing (Annual Costs)

Product Code	Product	Product Description	Annual Cost
0074	Handset Licence	The mobile phone Application provides the App Streaming & Telephony Capability (fully auditable). One licence is required per handset licence.	£1,950.00
0075	Web User Licence	The Web Licence provides administration & audit functionality.	£400.00
0076	Control Centre Licence	The Control Centre is the engine of the Nexus product, this licence	£25,000.00

		provides On-call functionality, audit, management, persona management.	
0077	Container Size	The number of containers is flexible depending on the size of the deployment e.g. how many apps are streamed with a minimum size of 25. This pricing is based on a minimum deployment of 25 containers. Additional containers and configuration options are available and are priced according to deployment size and requirements.	£11,250.00

2.3 Nexus Telephony (Annual Costs)

Product Code	Product	Product Description	Annual Cost
0078	Virtual Number – Option 1	Virtual number (per annum) Inclusive of 100 texts, 200 minutes per month - UK Landline and Mobile. *	£180.00
0080	SIM - Option 1	Dual SIM – Unlimited data plan - UK Landline and Mobile and multi carrier back up SIM The multi carrier back up SIM will only be billed for if it is used based on the rates listed in the standard rate card. **Fair usage policy applies	£360.00

*All calls, texts and data outside of the bundle options are charged at the standard rate card. E.g. International, Premium numbers.

** Unlimited data includes up to 650 GB of data per month. If usage exceeds 650 GB in two consecutive months, we may apply fair usage controls or additional costs may be incurred.

2.3.1 International and Non-Standard Call, Data and Text Usage

If the customer enables international and non-standard usage, please refer to the [Full Price List](#) available on our website. Due to the complexity and frequent changes to rates, it is not feasible to include every price zone in this pricing document.

Any over usage will be consolidated and billed quarterly in arrears.

2.4 Nexus Training - (Mandatory for all users)

Product Code	Product	Product Description	One Off Cost
--------------	---------	---------------------	--------------

0082	User, Admin & Control Centre training (per person)	Two-day product training per user. Includes the setup/configuration of the handset and application.	£700.00 per user
------	--	--	------------------

Training will be delivered by our group company, Vestigo Consulting Ltd who holds the exclusive rights to deliver training on Nexus.

Training will be held at our offices in Liverpool. Training can also be delivered at the customer's site, subject to additional costs for travel and expenses.

2.5 Nexus multi-year agreements & discounts

- 5% discount on 2Yr contract for the Nexus Software & Licencing Annual Costs only
- 10% discount on 3Yr contract for the Nexus Software & Licencing Annual Costs only
- 20% discount on 4Yr contract for the Nexus Software & Licencing Annual Costs only
- Further 5% discount based on multi-term payments made upfront for the Nexus Software & Licencing Annual Costs only

3. Securely Deployed AI Capabilities

3.1 Collab.hq Named User Licence (with no Long Arm licence)

The Collaboraite data and AI products and engines are also available as stand-alone capabilities which can be installed on client's infrastructure if required.

The Collab.hq licence provides access to Collab.hq, privately hosted in the IIS Cloud or on premise. The credits are used to run the models and manage storage.

Product	Annual Licence	Credits	Implementation	Support Maintenance	Upgrade
Collab.hq (no Long Arm licence)	£450 per user*	Bundle (for use on models and storage)	See Section 1.1	See Section 1.3	Included
Collab.hq on Prem	£6k per user*	Included	£100k	Included	£10k per model

*Where less than 20 Collab.hq licences are purchased, they will be charged at the list price + 50%

3.2 Collab.hq credits

These costs are only applicable for the Collab.hq (no Long Arm licence).

Tier	Annual Credit Allowance	Annual RRP	Discount	Discounted Cost
1	3,660	£7,320	0%	£7,320.00
2	7,320	£14,640	4%	£14,054.40
3	18,300	£36,600	6%	£34,404.00
4	36,600	£73,200	8%	£67,344.00
5	73,200	£146,400	10%	£131,760.00
6	146,400	£292,800	12%	£257,664.00

Collab Credits Discounts will be determined by the quantity of credits purchased on the day of purchase.

3.3 Communicait Named User Licence

Product	Annual Licence	Credits	Implementation	Support Maintenance	Upgrade
Communicait Laptop	£20k for 2 users per device (£5k per additional user)	Included	Included	Included	10%
Communicait Mobile	£2k for 1 user per device (min 5 users)	Included	Included	Included	10%

3.4 Collab.hq and Communicait Prices and Discounts

Time Limited Fixed Discount Rates apply for the initial contract term, ensuring pricing remains fixed at the discounted rates effective on the start date. Any renewal or extension will be subject to prevailing rates at that time, with previously applied discounts potentially reduced by up to 5% per full year of the prior term.

Volume-Based Discounts

Tiered pricing applies to Collab.hq and Communicait licences:

- Tier 1: Initial licence quantities (Collab.hq: first 50; Communicait laptop: first 5; Communicait mobile: first 10) are charged at list price.
- Tier 2 and beyond: Additional licences are charged at discounted rates, which vary based on the total quantity purchased and concurrency. Buyers will see an average cost per licence across tiers.

Discounts apply only when purchases exceed Tier 1 thresholds for each product (quantities cannot be aggregated). Additional licences purchased mid-term are charged at the current rate and prorated to align with the existing renewal date.

4. Voixtel® Telephony Cloud Provision

4.1 Virtual Numbers, SIMs & Managed Services

4.1.1 Virtual Phone Numbers

Product	One Off Connection Cost	Monthly fee (excl. VAT)
01/02 Regional	£0.83*	£0.83
0207 London	£8.33*	£0.83
03 National Numbers	£12.50*	£0.83

Call blasting	No additional cost
Conference calls	0.83p per minute per participant
Call Menu System [Auto attendant]	No additional cost
Call queuing	0.83p/min
Voicemail	0.83p/min
Dialled Number Display	No additional cost
Privacy phone pairing	No additional cost
Secure Access conference	0.83p per minute per participant

4.1.5 Advanced Call Management Features

Product	Cost excl. VAT
---------	----------------

Diarised Call Forwarding	No additional cost
Call blocking	No additional cost
Priority calling	No additional cost
Secure Remote Call Re-Routing	No additional cost

4.1.6 UK Multi-Network IoT SIMs

For data only SIMs our operator policy enables automatic failover to alternative networks should your primary network connection fail. Coverage on all 4 UK Tier 1 networks is available.

4.1.6.1 Roaming SIM

Product	Cost excl. VAT
SIM initial cost	£16.66
Monthly cost	£1.65

4.1.6.2 Roaming SIM Diversion Charges

Product	Cost excl. VAT
UK Landline	4.17p/min*
UK Mobile	5.83p/min*
Airtime, Network roaming charges**	12.5p/min*
Call Set Up Fee	0.15p per call

*Billed per whole minute

International and Non-Standard Destinations

If the customer enables international calls and non-standard UK landline or mobile destinations, please refer to the [Full Price List](#) available on our website. Due to the complexity and frequent changes to rates, it is not feasible to include every price zone in this pricing document.

4.1.6.3 Roaming SIM Data Charges

Product	Cost excl. VAT
Mobile data (UK)	0.83p/Mb*

*Rounded up to next whole pence

International and Non-Standard Data Usage

If the customer enables international and non-standard data usage, please refer to the [Full Price List](#) available on our website. Due to the complexity and frequent changes to rates, it is not feasible to include every price zone in this pricing document.

4.1.7 UK Mobile SIMs

Our 2 major network providers O2 and Vodafone contract SIMs are based on a 1 month rolling contract and therefore not subject to a 12/18/24 month contract.

Data Quantity	Network Provider	Cost Per Month
5GB Data, Unlimited Calls and Text	O2 & Vodafone	£15.00 Per Month

20 GB Data, Unlimited Calls and Text	O2 & Vodafone	£18.50 Per Month
Unlimited Data, Unlimited Calls and Text	O2 & Vodafone	£30.00 Per Month

4.1.8 Standard Network SIM (O2 or Vodafone)

All packages have inclusive texts and minutes to standard destinations. Premium rate, international and picture texting will incur additional charges.

Product	Cost excl. VAT
5Gb	£15.00
20Gb	£18.50
Unlimited*	£30.00

* Network fair usage policies apply

4.1.9 Mobile Handsets

Mobile phones can be procured at cost price plus 20% (handling fee).

4.1.10 Managed Accounts

The Managed Account Service provides customers with a named account manager acting as the primary point of contact and delivering an enhanced level of service and support. This is a managed service and does not constitute an exclusively assigned resource.

Pricing starts from £100 per month, which includes one monthly scheduled service review meeting via Microsoft teams. Additional time or services are available by agreement and may incur additional charges.

4.2 Cloud Telecoms Training and Consultancy

See section 5 for details of the Cloud Telecoms Training available

5. Vestigo® Training Courses

5.1 Vestigo® Training Courses
