1.5 Collab.hq. and Communicaites Pricing and Discounts

Time Limited Fixed Discount Rates apply for the initial contract term, ensuring pricing remains fixed at the discounted rates effective on the start date. Any renewal or extension will be subject to prevailing rates at that time, with previously applied discounts potentially reduced by up to 5% per full year of the prior term.

Volume-Based Discounts

Tiered pricing applies to Collab.hq and Communicaites licences:

- Tier 1: Initial licence quantities (Collab.hq: first 50; Communicaites laptop: first 5; Communicaites mobile: first 10) are charged at list price.
- Tier 2 and beyond: Additional licences are charged at discounted rates, which vary based on the total quantity purchased and concurrency. Buyers will see an average cost per licence across tiers.

Discounts apply only when purchases exceed Tier 1 thresholds for each product (quantities cannot be aggregated). Additional licences purchased mid-term are charged at the current rate and prorated to align with the existing renewal date.

1.6 Annual Support and Maintenance

Product Code	Product Description	Annual Cost (Excl. VAT)
