1. SERVICE OVERVIEW

Morae Records is an essential component of OfficeLabs' Information Management as a Service (IMaaS) offering, designed to help organisations efficiently manage their records in a compliant and secure manner.

Morae Records is the only SharePoint records management solution DoD 5015.2 certified for the effective governance of electronic records across an organisation's existing IT infrastructure. The software ensures that records are managed, retained, and disposed of in accordance with legal and regulatory requirements, enhancing compliance and mitigating risks associated with improper document management.

OfficeLabs is an authorised reseller and implementation partner for Gimmel (a Morae company). Pricing includes G-Cloud contractual assurance, onboarding coordination, and alignment with Microsoft 365 estates.
