1. SERVICE OVERVIEW

Morae Physical is an integral part of OfficeLabs' Information Management as a Service (IMaaS) offering, designed to transform the way organisations handle physical records management.

Morae Physical is a cutting-edge physical records management software designed to enhance the way organisations manage and govern their physical records both in-house and offsite. By leveraging modern technologies such as barcode scanning and RFID tracking, Morae Physical ensures that records are managed efficiently and compliantly across multiple storage locations.

OfficeLabs is an authorised reseller and implementation partner for Gimmel (a Morae company). Pricing includes G-Cloud contractual assurance, onboarding coordination, and alignment with Microsoft 365 estates.
