1. SERVICE OVERVIEW

Morae Link Enterprise is a key component of OfficeLabs' Information Management as a Service (IMaaS) offering, providing a sophisticated SAP-to-SharePoint integration solution that enhances document and data management capabilities.

This integration tool streamlines operations by allowing seamless access to SAP content from SharePoint, while offering significant cost savings by reducing the need for additional SAP licenses and leveraging cost-effective storage solutions.

OfficeLabs is an authorised reseller and implementation partner for Gimmel (a Morae company). Pricing includes G-Cloud contractual assurance, onboarding coordination, and alignment with Microsoft 365 estates.

Link Enterprise for SAP

----------------	---------

Support and Maintenance

An optional support and maintenance package is available, priced up to 25% of the annual subscription cost. This includes software updates, technical support during UK business hours, and access to product documentation and resources.

Minimum commitment: 12 months. Enhanced support options are available under separate Cloud Support service listings.

Notes

All prices are exclusive of VAT at the prevailing rate (currently 20%).

Prices are valid for the G-Cloud 15 framework period and are subject to annual review.

Discounts may be available for multi-product purchases or enterprise-wide deployments.

Custom configurations and client-specific pricing are available on request.

Please contact OfficeLabs to discuss requirements and obtain a formal quotation.
