ARO Cloud Credits

The Cloud Credits option allows organisations to purchase ARO Cloud Credits up front and redeem them against any of ARO cloud services over a mutually defined period.

This allows organisations to commit their CAPEX or budgetary spend in advance, with usage deducted from their Cloud credit balance until depleted.

- Every £1 spent on Cloud Credits equates to £1 that can be spent on ARO cloud services.
- The purchase of Cloud Credits can be made against any ARO G-Cloud Services.
- Cloud Credits are also transferable between any ARO G-Cloud services.
- ARO Cloud Credits can be used for a single service or a combination of ARO G-Cloud Services.

ARO Technology. Only better.
