

Redinet Limited
Microsoft Licence Agreement

DATED: May 2024 ("Effective Date")

BETWEEN:

- (1) **REDINET LIMITED**, a company registered in England and Wales with registered company number 03509769, whose registered office is located at Ashcombe House, 5 The Crescent, Leatherhead, Surrey, United Kingdom, KT22 8DY ("Redinet");
- (2) «Customer», a company registered in England and Wales with registered company number «Reg_», whose registered office is located at «Address» ("Customer")

The purpose of this agreement is to cover where Redinet provides to the Customer access to or use of third party Software or services in the course of providing services, the Customer agrees to comply with the terms of the relevant end user licence agreements or Terms and Conditions applicable to such Software or third party agreement.
Specific details as set out below:

All prices are plus VAT at the prevailing rate

Third Party	Product	Quantity	Cost per licence per month	Total per month	Term
Microsoft	«Product»	«QTY»	«Cost_per_licence»	«Total»	«Term»
Microsoft					
Microsoft					
Microsoft					
Microsoft					

Redinet will purchase the licence(s) on completion of this agreement for a start date as agreed with the customer or inline with the renewal date for existing subscriptions which will be detailed on the Redinet invoice.

The customer agrees to full payment of the licence term agreement in the event of termination for any reason and will provide Redinet with a Termination Notice period of 90 days.

The cost per licence is locked in subject to the commitment period as detailed in the term duration. Additional licences may be added mid-term subject to the same commitment terms. Additions should be requested via email or Redinet Helpdesk request. The number of licences cannot be reduced and licences cannot be downgraded.

The Customer agrees to the above terms and has read and accepts the full terms as specified in the following Microsoft agreement for the above licence(s), any licences taken out on a monthly rolling subscription and any online services as defined in the Microsoft MCA:
