Claria

WSO2 ASGARDEO PRICING

Flexible Pricing Options

WSO2 Asgardeo uses a **Monthly Active User (MAU)** pricing model, where an MAU is defined as a unique user who logs in at least once during a calendar month. Claria UK Ltd can provide a tailored quote based on your specific requirements.

1. Free Tier

Ideal for startups and prototyping:

- **Features:** Includes social and passwordless login, basic MFA, and community support.

2. Professional Plan

Designed for growing businesses needing advanced branding and control:

- **Key Features:** Unlimited sub-organizations, custom domains, customizable branding, adaptive MFA, and remote user store connectivity.

3. Business & Enterprise

For larger scale or internal workforce needs:

- **Enterprise Support:** Custom pricing is available for organizations requiring dedicated account management and 24/7 incident response.
