

Pricing: Resilience Platform and Support Services

All prices are exclusive of VAT.

1. Resilience Platform licence (annual subscription)

The Resilience Platform licence provides the right to use the platform for the duration of the contract. Licence tier is determined by the number of **named user accounts** and (overall) scale of use.

Resilience Platform "modules" **Continuity Manager, Risk Manager, Incident Manager, and Exercise Manager** are typically priced and purchased separately, but can be combined as needed.

Annual licence pricing (customer-specific)

Service name	Price unit	Base price	Minimum contract period	Description
Module Licence – Small	Per annum	£50,000	1 Year	Licence for up to 50 named user accounts
Module Licence – Medium	Per annum	£150,000	1 Year	Licence for 51–150 named user accounts
Module Licence – Large	Per annum	£250,000	1 Year	Licence for 151+ named user accounts

Additional information

- Licence tier is agreed at contract award (and may be reviewed at renewal)
- Licence pricing approach is independent of hosting model (where applicable)
- User numbers may be adjusted at contract renewal
- Integrations, complex configuration, and development priced separately
