

Pathology Information Exchange

Synanetics Costs

PIE Hosting Costs

	Annual baseline costs (includes 4 participants)	Incremental annual cost per participant(1)
Google Cloud Platform	£20,000	£4,000
HSCN Connectivity	£14,000	£1,000

(1) A participant is defined as:

- an organisation sending messages to the PIE representing pathology orders;
- a laboratory receiving pathology orders and/or sending to the PIE pathology results;
- a PIE application tenancy (including SORA) or 1000 users within an application tenancy.

Cost is based on no more than 1000 orders per day. Uplift costs may be applied above this threshold.

PIE Support and Operating Costs

	Annual baseline costs (includes 4 participants)	Incremental annual cost per participant/application tenancy
Platform	£60,000	£15,000
SORA		£10,000
