Cloud Support Services

iThink 365 Cloud Support Services Pricing

Included Services:

- Microsoft 365 Envisioning Service
- Microsoft 365 Governance & Compliance Reviews
- Microsoft Copilot Studio Training, Governance Framework & Hackathon Workshops

All prices are quoted in pounds sterling (GBP) and are exclusive of VAT at the applicable rate unless otherwise stated.

Pricing Model

Pricing for these Cloud Support services combines standard SFIA day rates with optional fixed-price packaged engagements. This blended approach provides clarity for buyers while maintaining flexibility for bespoke delivery.

Fixed-Price Packages

- **Microsoft 365 Envisioning Service**
Full 2.5-day engagement including one-day onsite workshop, discovery, analysis, and a structured roadmap with recommendations report.
Price: £2,375.00
- **Microsoft 365 Governance & Compliance Review**
Includes discovery session, tenant assessment, governance and maturity review, risk mapping, and alignment to best practices. Detailed findings and recommendations report included.
Price From: £3,600.00 (Price dependent on size of organisation)
- **Copilot Studio Training, Governance Framework & Hackathon Workshops**
Hands-on workshops for IT teams and developers, including training, governance guidance, and agent design & deployment in Teams, SharePoint, and Microsoft 365 Copilot.
Price From: From £1,200.00 per day
