

Privacy and DPO-as-a-service

La Fosse Capability

Providing trusted, compliant privacy governance and DPO capability

La Fosse provides Data Protection Officer capability and practical privacy-management services to help organisations meet UK GDPR and data-ethics obligations. We support policy development, DPIAs, training and audit readiness, operating as an advisory or retained service. Our approach strengthens governance, reduces regulatory risk and builds internal capability to manage privacy confidently across programmes and services.

DPO capability

Independent advice, oversight and assurance on data-protection obligations

Privacy governance

Independent advice, oversight and assurance on data-protection obligations

Risk assessment and DPIAs

Structured assessment of privacy risks across services and programmes

Audit and compliance readiness

Evidence packs, reporting and preparation for regulatory scrutiny

- **Independent DPO advice and oversight**
- **Privacy governance and policy frameworks**
- **DPIA facilitation and risk management**
- **Training, assurance and audit support**

1

Assess and baseline

Review privacy maturity, data processing activities and regulatory obligations

2

Design governance and controls

Define privacy policies, roles, DPIA processes and escalation routes

3

Support and assure

Provide ongoing DPO advice, DPIA facilitation and programme support

4

Embed and sustain

Deliver training, audit preparation and handover for long-term compliance

Proven public sector impact

La Fosse delivers practical privacy governance by combining DPO expertise with hands-on support. We help organisations assess risk, implement compliant processes and provide ongoing assurance, ensuring privacy obligations are met across complex digital and data programmes.

Privacy governance
and regulatory
assurance

Supported privacy governance, risk assessment and assurance within a regulated operating environment.
Outcome: Improved compliance confidence, clearer privacy controls and reduced regulatory risk.

Privacy assurance
within secure
programmes

Delivered privacy and data-protection expertise supporting secure government delivery programmes.
Outcome: Reduced data-protection risk, clearer accountability and improved compliance assurance.

DPO support and
privacy management

Provided privacy and DPO capability to support high-volume data processing and complex operational services.
Outcome: Stronger privacy governance, improved DPIA quality and enhanced audit readiness.

Delivering positive, lasting impact beyond project outcomes

We're an employee-owned business that believes transformation should empower people as much as technology. Every engagement builds confidence, inclusivity, and self-sufficiency within client teams.

Sustainability and climate

Eco-conscious operations, reduced travel, digital-first engagement, social sustainability through charitable partnerships.

Inclusion and opportunity

Diverse delivery teams, fair pay, early-career pathways via La Fosse Academy.

Wellbeing, culture and communities

Consultant communities, prioritising mental and physical wellbeing, transparency and healthy working practices.

A woman with dark hair in a ponytail is seen from behind, looking out a train window. The background is blurred, suggesting motion. The entire image has a purple overlay.
