

# SaaS ERP Implementation and Support

---

**La Fosse Capability**

# Delivering compliant, scalable ERP platforms for public sector operations

La Fosse provides end-to-end implementation and optimisation of SaaS ERP platforms across finance, HR and core business operations. We support requirements definition, configuration, integration, data migration, testing and training. Our approach aligns ERP solutions to public sector control frameworks, ensuring compliance, operational efficiency and sustainable support beyond go-live.

ERP implementation delivery

**Configuration and deployment of cloud ERP platforms**

Integration and data migration

**Secure integration and migration from legacy systems**

Public sector compliance

**Alignment with financial controls and governance standards**

Ongoing optimisation and support

**Post-implementation support and continuous improvement**

- **ERP requirements, design and configuration**
- **Data migration and system integration**
- **Testing, training and change enablement**
- **Post-go-live support and optimisation**

1

### **Discover and design**

Define requirements, operating impacts and ERP configuration approach

2

### **Configure and integrate**

Configure ERP modules, migrate data and integrate surrounding systems

3

### **Test and deploy**

Execute testing, training and controlled go-live activities

4

### **Support and optimise**

Provide hypercare, optimisation and long-term support services

# Proven public sector impact

La Fosse delivers SaaS ERP programmes by combining structured implementation with strong governance and change support. We help organisations transition from legacy systems to modern ERP platforms while maintaining control, compliance and operational continuity.

# Delivering positive, lasting impact beyond project outcomes

We're an employee-owned business that believes transformation should empower people as much as technology. Every engagement builds confidence, inclusivity, and self-sufficiency within client teams.

Sustainability and climate

Eco-conscious operations, reduced travel, digital-first engagement, social sustainability through charitable partnerships.

Inclusion and opportunity

Diverse delivery teams, fair pay, early-career pathways via La Fosse Academy.

Wellbeing, culture and communities

Consultant communities, prioritising mental and physical wellbeing, transparency and healthy working practices.

A woman with dark hair in a ponytail is seen from behind, looking out of a train window. The background is blurred, suggesting motion. The entire image has a purple overlay.

# Thank you
