Certificate No:211592014

1.1 Pricing Model

The pricing of any complex managed service contract would need to be formalised following an audit and understanding of the exact support requirements and current ICT environment. However, for the G-Cloud 15 framework agreement, we have been asked to provide some guidelines as to indicative pricing. These are therefore guidelines only and exclude set up and transition costs.

1.2 N-Able pricing

Description	Price
N-Able	£3 to £4 user a month

2. Document Information

Confidentiality and Copyright

This document and the information set out herein is confidential and is not to be disclosed or discussed with any person or party not associated with the selection of a service provider. The information in this proposal is a suggested technical offering and proposed pricing. We reserve the right to amend or withdraw our proposal and/or the quoted fee(s). Any typographical, clerical, or other error or omission shall be subject to correction without any liability. The quoted fee(s) are based on the goods and/or services being provided in accordance with and subject to Central Networks and Technologies Ltd (Central's) current standard terms and conditions applicable to the provision of the goods and/or services. Any variation to our standard terms and conditions is subject to the express written agreement of a Director of Central. In the event that Central agree to vary the standard terms and conditions, then we reserve the right to adjust/ amend our quoted fee(s). All quoted fees are exclusive of any applicable Value Added Tax or other sales or excise duty payable from time to time, which the customer shall be additionally liable to pay. The copyright in this proposal and any associated information or documents that we may provide remains vested in Central Networks and Technologies Ltd
