1.1 Pricing Model

The pricing of any complex managed service contract would need to be formalised following an audit and understanding of the exact support requirements and current ICT environment. However, for the G-Cloud 15 framework agreement, we have been asked to provide some guidelines as to indicative pricing. These are therefore guidelines only and exclude set up and transition costs.

1.2 Resources

Description (Resources)	Normal Business Hours
Onsite Service Desk Support	£700 per day
Onsite Engineer	£950 per day
