1.1 Pricing Model

The pricing of any complex managed service contract would need to be formalised following an audit and understanding of the exact support requirements and current ICT environment. However, for the G-Cloud 15 framework agreement, we have been asked to provide some guidelines as to indicative pricing. These are therefore guidelines only and exclude set up and transition costs.

1.2 Sophos Intercept X Endpoint service pricing

Central Intercept X Advanced											
Subscription		Central Intercept X Advanced is the industry's most comprehensive endpoint protection built to stop the widest range of threats. Includes all features in Central Intercept X Essentials plus multiple policies, control capabilities (Web, Peripheral, Application, DLP) and threat cases. For virtual environments, a light agent for Windows Desktop VM's provides off-board scanning and protection.
