

LINKS CarePath – Pricing 2026

ILLY's Pricing module is made up of the initial implementation costs and then the ongoing support and license costs plus any optional modules purchased. Project implementation costs can vary from simple to more complex configurations depending on the numbers of sites, modules purchased, service configuration, and data to be imported in. Implementation costs will be in line with our SFIA Rate Card

LINKS CarePath License	Starts at £2,088 per user with a minimum of 10 users.
Optional Modules	Price per module does not include implementation costs which are charged as per the Rate Card.
Prescribing Module	Charged per team. Separate teams are considered ones that report to NDTMS under separate Agency Codes. Cost per team is £6,000 per team.
Harm Reduction	Charged per team. Separate teams are considered ones that report to NDTMS under separate Agency Codes. Cost per team is £2,500 per team.
Criminal Justice	Charged per team. Separate teams are considered ones that report to NDTMS under separate Agency Codes. Cost per team is £5,000 per team.
