Ideagen PleaseReview works on an Active licensing model. That means, an unlimited number of users may be set up on the system, each of whom may be given permissions for any of the user types. Users only count towards the licensed number of users of each type when they are included in one or more 'active' review, based on their highest permission level.

- **Standard user** – able to make edits, comment and review the document, unable to accept changes or set up reviews.
- **Power user** – able to review, edit, co-author, accept/close changes and set up/complete reviews. For every 1 Power User you will purchase 5 Standard Users.

For details of what is included within each package as standard please refer to the PleaseReview Service Definition document.

Customer Success Packs

Ideagen offers three-tiered Success Plans designed to meet varying levels of customer support needs and engagement preferences.

The Essential Plan provides a foundation of self-service resources for independent users who prefer to manage their own learning and troubleshooting.

The Essential Plan is free, no additional charge.

The **Standard Plan** elevates the experience with dedicated customer success support, enhanced responsiveness, and exclusive virtual events to help you maximize value from your Ideagen solutions. For organizations requiring the highest level of personalized attention.

The Standard Plan has a **15% uplift** in Licence fees shown above.

The **Premier Plan** delivers comprehensive support through a dedicated, locally based Customer Success Manager, live events, and 24/7 access to specialized support agents. Each plan builds upon the previous tier, ensuring customers can choose the level of guidance and support that best aligns with their organizational needs and goals.

The Premier Plan has a **25% uplift** in Licence fees shown above.
