

Maldaba Annual Health Checks by Hear Me Now Pricing Document

Annual Health Checks by Hear Me Now is charged on an annual licence model, according to the number of patients in an organisation's footprint. As part of our commitment to affordable services, we have applied a ceiling and a floor to the annual licence cost (dependent upon size of patient population).

- **Population Health model floor (<500,000): £46,980**
- **Population Health model ceiling (2,500,500+): £117,504**
- **Onboarding fees are calculated as a proportion of the annual cost to cover set up costs per site (technical setup, training, EPR integration)**

We also offer a flexible cost-per-patient model for smaller organisations, based on usage.

- **Maximum cost per LD patient: £29.97**
- **Onboarding fees are calculated based on individual requirements.**

Included in the above prices as well as dashboard access and user app licences is: staff engagement sessions, training, monthly staff support, consultancy/change management/project management support and questionnaires feature.

Any out-of-contract additional costs are as follows:

Item	Cost (£ excluding VAT)	Notes
