Abnormal

Abnormal AI uses a subscription-based pricing model, which is customised to each organisation rather than a fixed public price list.

12-month contract

24-month contract - save up to 75%

36-month contract - save up to 50%

12-month contract (1) info

Dimension	Description	Cost/12 months
Mailboxes	Number of mailboxes in your organization	\$1,000,000.00

The cost depends on the number of users, volume of monitored email and collaborations, and the set of features selected (e.g. core email protection, account-takeover prevention, SaaS app security).

As such, pricing is provided only via a tailored quote after evaluating an organisation's size and requirements.

For more information and to receive a tailored, accurate quote in GBP, please contact Generation Digital.
