Cribl charges based on how much data you process and store — not a fixed monthly fee.

You pay per gigabyte of data ingested and processed, plus any storage or compute used. Because costs scale with usage, you only pay for what you actually use, which makes it flexible and predictable.

For small volumes, there's a free tier; for larger workloads or enterprise-scale requirements, you can scale up (and only pay more if you need more capacity).

Free	Standard	Enterprise
Included in the Free plan: ▶ Up to 1TB/day ▶ Universal Sources ▶ Unlimited Pipelines ▶ Unlimited Routes ▶ Community Support	Everything in Free plus: ▶ Up to 5TB/day* ▶ Git backup ▶ Notifications ▶ 8x5 Support *Credits utilized at ingest	Everything in Standard plus: ▶ Unlimited TB/day* ▶ Multiple Workspaces ▶ Connected Environments ▶ RBAC & Federated Auth ▶ Dedicated 24x7 Support Team ▶ And more! *Credits utilized at ingest

All prices are quoted in GBP (£).

All pricing is based on annual billing.

Volume discounts may apply for Enterprise or high usage users.

Additional license types and pricing options are available upon request.
