#1 AI VIDEO PLATFORM FOR BUSINESS ⓘ

Turn text to video, in minutes

Create studio-quality videos with AI avatars and voiceovers in 140+ languages. Save up to 90% of time and cost on video production.

SYNTHESIA FEATURES

One platform to create, localize, manage and publish AI videos.

Get started

Create your own expressive AI Avatar

Your AI Avatar speaks 140+ languages, fluently, and with uncanny expressiveness. And yes, you keep full control over it.

EXPRESSIVE AVATARS

1-CLICK TRANSLATION

Translating "Synthesia 4 All"

Select languages or upload .xliff files

Spanish × French × German ×

Translation options

Only translate script

Automatically generate videos

Translate

Translate any video in 140+ languages

Save hours of work and thousands in production. Synthesia syncs your chosen language flawlessly to your AI's lips.

WHY SYNTHESIA

Loved by users. Approved by legal. Signed off by CFOs

Book demo

No video editing skills or equipment required.

90% of users publish their first video without needing a tutorial. And if you want to go deeper, there's a whole Academy.
