CLOUD TENANCY & STORAGE

The monthly cloud tenancy fee comes with 250Gb of storage. This is a set monthly fee of £309.99 per month and is independent of how many cameras are ordered.

Additional cloud storage needs to be ordered separately and is a monthly fee per client tenancy account (and not per camera). As standard, we recommend 10 GB per camera per month. If a client needs additional storage during the contract term, additional storage can be added. Please note cloud storage cannot be reduced during a contract term.

Cloud storage	Per Month
Per GB Per Month	£0.05

RELIANCE PROTECT INCIDENT HANDLING

The live incident video and audio can be streamed into the Reliance Protect ARC for our skilled, experienced and SIA licensed operators to handle and escalate all the way through to the Emergency Services if required. Note, the cameras are not BS8484 accredited and therefore alarms cannot be escalated to the Police via Lone Worker Unique Reference Numbers.

ARC monitoring of the live streams are an additional £7.00 per device per month.
