

HANDD Business Solutions is a global managed services provider helping organisations reduce risk by improving visibility, control, and operational governance across critical data workflows. We implement and manage security and automation platforms day-to-day across Managed File Transfer (MFT), data integration, DLP, and AI security, helping teams identify gaps, enforce policy, and maintain audit-ready compliance. Trusted by over 1,000 clients across 27 countries, HANDD delivers vendor-agnostic expertise backed by 24/7 global operations centres. Learn more at [www.handd.co.uk](http://www.handd.co.uk).

An aerial photograph of a complex multi-level highway interchange with several overpasses and ramps. The image is overlaid with a semi-transparent dark rectangle. Inside this rectangle, the text "Alchemy Server Pricing" is centered in a white, serif font. At the bottom of the dark rectangle, there is a small, partially visible banner with the text "Experience the difference" and a logo.

## Alchemy Server Pricing

## G-Cloud 15 - Alchemy Server Pricing

### Professional Services

The specialist technical services required to create Cloudhouse Application Compatibility Packages are GBP £1,875.00 per day.

Total charges per application are assessed at the outset of an engagement.
