

LMS

Learning Management Software

Pricing for EcoOnline's LMS is based on the number of protected workers in your organisation. Shown below are pricing bands and Annual fees to illustrate how worker numbers shape your total pricing. EcoOnline's pricing scales with your team size. Instead of charging per individual user, we group users into simple bands (e.g., 25–50, 50–75, etc.) so your cost stays predictable as you grow.

#Protected Workers (up to)	Annual Fee, 36 month contract*
