Deliverables

The list of deliverables below is applicable to orders placed after **27 April 2021**. If you have placed an order before that date, please contact us for your package details or if you wish to change to any of the features below on renewal.

Cloud Box Education Packages

Cloud Box Silver (Education)

- CDB branded SharePoint megamenu and CDB web parts
- CDB admin portal (self-service site creation, class cover, student assignment search tool)
- CDB Class Dashboard Web Part, CDB My Assignments Web Part and CDB My Classes Web Part
- MIS integration with Microsoft School Data Sync (**Not included in THIRD PARTY SDS builds**)
 - Class Teams provisioned through SDS shall be created from distinct classes in the MIS; MIS classes shall not be merged or split to create class teams.
(See the SLA for your product)
- MIS profile picture in Class Dashboard. **Not included in THIRD PARTY SDS builds and only when available via MIS API.**
- Student folders in class teams
- Course/subject centralised resource sites/teams
- Staff department teams
- All teachers and All Staff teams
- SharePoint intranet button in Microsoft Teams app (Viva Connections)
- Unlimited technical support for a technical contact at the school (see the SLA for your product)
- Unlimited teaching and learning support for a teaching and learning lead at the school (See the SLA for your product)
- Software updates and bug fixes

Cloud Box Gold (Education)

- All the Cloud Box Silver deliverables
- Assignment analytics
- User adoption and rollout advice documents
- Training needs analysis (TNA) advice documents
- Trainer-led online workshops (1 day in the first year only – see TNA for breakdown)
- Self-service training portal and annual updates
- CPD certificates for staff attending training workshops of qualifying courses
- Microsoft Learn badges for staff attending 2 or more hours of qualifying online workshops

Cloud Box Platinum (Education)

All the Cloud Box Gold deliverables except:

- 2 days of training workshops in year 1 (instead of 1 day with Gold)
- Digital strategy report for leaders

Cloud Box Business Packages

Please contact info@clouddesignbox.co.uk for your bespoke business deliverables.

Cloud Box Education – Third Party SDS Integration

A variation of the Silver, Gold and Platinum Education packages where Cloud Design Box do not manage Microsoft School Data sync or provide photos for use in Class Dashboard.
