

Data8 Ltd

Specific Terms and Conditions: Phone Validation

29 January 2026

These Specific Terms and Conditions govern the supply by Data8 Limited of the Phone Validation Services to the Customer and form part of any agreement governing the provision of those services.

IT IS AGREED THAT:

1 DEFINITIONS

- 1.1 The following words and phrases shall (unless the context otherwise requires) have the meanings set out below:

Customer: means the legal entity or individual that enters into an agreement with Data8 Limited for the provision of the Phone Validation Services;

Customer Personal Data: means any data, content or information provided or made available by the Customer that constitutes personal data and is processed by Data8 on the Customer's behalf in connection with the provision or use of the Services;

Telephone Number: means an individual telephone number taken from the Customer Personal Data to be validated;

Phone Validation Services: means a service where a Telephone Number is tested in order to verify whether it is valid and available or not;

Telephone Network Operator: means a provider of telephony communications services with access to public switched telephone networks or wireless networks.

2 CUSTOMER ACKNOWLEDGEMENT

- 2.1 The Customer acknowledges that in order to provide the Phone Validation Services it is necessary to send Telephone Numbers to the Telephone Network Operator and (similar to calling a normal Telephone Number) that:
- 2.1.1 The Telephone Operators may route the Telephone Number through the network onto services and infrastructure be physically located anywhere worldwide and it is not technically possible to restrict the Phone Validation Services to only sending Telephone Numbers to Telephone Network Operators in any specific jurisdiction; and
- 2.1.2 It is not possible for Data8 to be in contract with the Telephone Network Operators;

3 GENERAL AUTHORISATION FOR SUB-PROCESSORS

- 3.1 Data8 may choose to use sub-processors to fulfil the Phone Validation Services. The Customer acknowledges and approves the following list of criteria for which Data8 use to select and appoint sub-processors (General Authorisation):
- 3.1.1 Where the sub-processor enables Data8 to offer highly available Phone Validation Services; and
- 3.1.2 In no circumstances will any Customer Personal Data be disclosed to the sub-processor except the individual Telephone Number.

4 ACCEPTABLE USE

- 4.1 You may not use the Phone Validation Services for:
- 4.1.1 Acts that may materially or adversely affect the quality of other users' experience;
- 4.1.2 Acts that in any way cause, or may cause, damage to the Phone Validation Services or platform or impair the availability or accessibility of Phone Validation Services;
- 4.1.3 Using Phone Validation Services in any way that is unlawful, illegal, fraudulent or harmful or in connection with any unlawful, illegal, fraudulent or harmful purpose or activity;
- 4.1.4 Using any method, software or program designed to collect identity information, authentication credentials, or other similar information;
- 4.1.5 Falsifying user identification information or impersonating any person or entity or falsely stating or misrepresenting your affiliation with a person or entity;
- 4.1.6 Performing Telephone Number scanning, or similar techniques designed to identify valid Telephone Numbers from a list of possible Telephone Numbers that are not known to pertain to individuals.
