

Bank Validation Pricing Document G-Cloud 15

Pricing Elements – Bank Validation

This document provides details of the pricing for our Bank Validation service.

Pricing Structure

There are two cost options for this service as follows:

- **Per Lookup** – where lookups are purchased which remain valid for 12 months.
 - When all the lookups have expired or been used, there is an option to purchase additional credits.
- **Annual Licence** - Where a fixed cost is available for access to the service for a maximum number of lookups within a 12-month period.
 - This is more cost effective for Buyers who are likely to use more than 200,000 lookups per annum.

On-boarding costs

There are no additional costs for the on boarding for this service unless in the unlikely event on-site training, installation or bespoke development is required which is charged at a rate of £1,200 per day and quoted in advance.

Off-boarding costs

There are no charges for Off boarding, the service will cease to be live at the end of the contract, and no data is stored that will be required to be extracted.

On-going/License/Subscription Costs

There are no on-going License/Subscription Costs other than those defined in this document.

Training & Support

Our services are simple to install and use, and we provide training and support by a combination of email, online meeting, or telephone free of charge.
