Specific Terms and Conditions: Email Validation

29 January 2026

These Specific Terms and Conditions govern the supply by Data8 Limited of the Email Validation Services to the Customer and form part of any agreement governing the provision of those services.

IT IS AGREED THAT:

1 DEFINITIONS

- 1.1 The following words and phrases shall (unless the context otherwise requires) have the meanings set out below:

Customer: means the legal entity or individual that enters into an agreement with Data8 Limited for the provision of the Email Validation Services;

Customer Personal Data: means any data, content or information provided or made available by the Customer that constitutes personal data and is processed by Data8 on the Customer's behalf in connection with the provision or use of the Services;

Email Address: means an individual email address taken from the Customer Personal Data to be validated;

Email Validation Services: means a service where an Email Address is tested in order to verify whether it is valid and deliverable or not and to understand the Email Address's existence and credibility;

Mail Server: means a computer server that handles and delivers email over the Internet;

2 CUSTOMER ACKNOWLEDGEMENT

- 2.1 The Customer acknowledges that in order to provide the Email Validation Services it is necessary to send Email Addresses to Mail Servers and (similar to sending a normal email) that:
- 2.1.1 The Mail Servers may be physically located anywhere worldwide and it is not technically possible to restrict the Email Validation Services to only sending Email Addresses to Mail Servers in any specific jurisdiction; and
- 2.1.2 It is not possible for Data8 to be in contract with the owners and/or operators of the Mail Servers;

3 GENERAL AUTHORISATION FOR SUB-PROCESSORS

- 3.1 Data8 may choose to use sub-processors to fulfil the Email Validation Services. The Customer acknowledges and approves the following list of criteria for which Data8 use to select and appoint sub-processors (General Authorisation):
- 3.1.1 Where the sub-processor enables Data8 to offer highly available Email Validation Services; and
- 3.1.2 In no circumstances will any Customer Personal Data be disclosed to the sub-processor except the individual email address.

4 ACCEPTABLE USE

- 4.1 You may not use the Email Validation Services for:

- 4.1.1 Acts that may materially or adversely affect the quality of other users' experience;
- 4.1.2 Acts that in any way cause, or may cause, damage to the Email Validation Services or platform or impair the availability or accessibility of Email Validation Services;
- 4.1.3 Using Email Validation Services in any way that is unlawful, illegal, fraudulent or harmful or in connection with any unlawful, illegal, fraudulent or harmful purpose or activity;
- 4.1.4 Using any method, software or program designed to collect identity information, authentication credentials, or other similar information;
- 4.1.5 Falsifying user identification information or impersonating any person or entity or falsely stating or misrepresenting your affiliation with a person or entity;
- 4.1.6 Performing domain scanning, directory harvesting or Email appending.
