

G-CLOUD 15

Managed Services

Managed Services

Our Managed Service Desk offers expert support, proactive penetration testing, round-the-clock system monitoring, cyber security maintenance, and seamless technology implementation and change management. We're here to help you maintain optimal performance and security.

Benefits include:

- 24/7 expert support for prompt issue resolution
- Proactive vulnerability detection and mitigation strategies
- Continuous monitoring for optimal system availability.
- Up-to-date cyber security defences against emerging threats
- Seamless technology integration and change management

Managed Services

Our service features include:

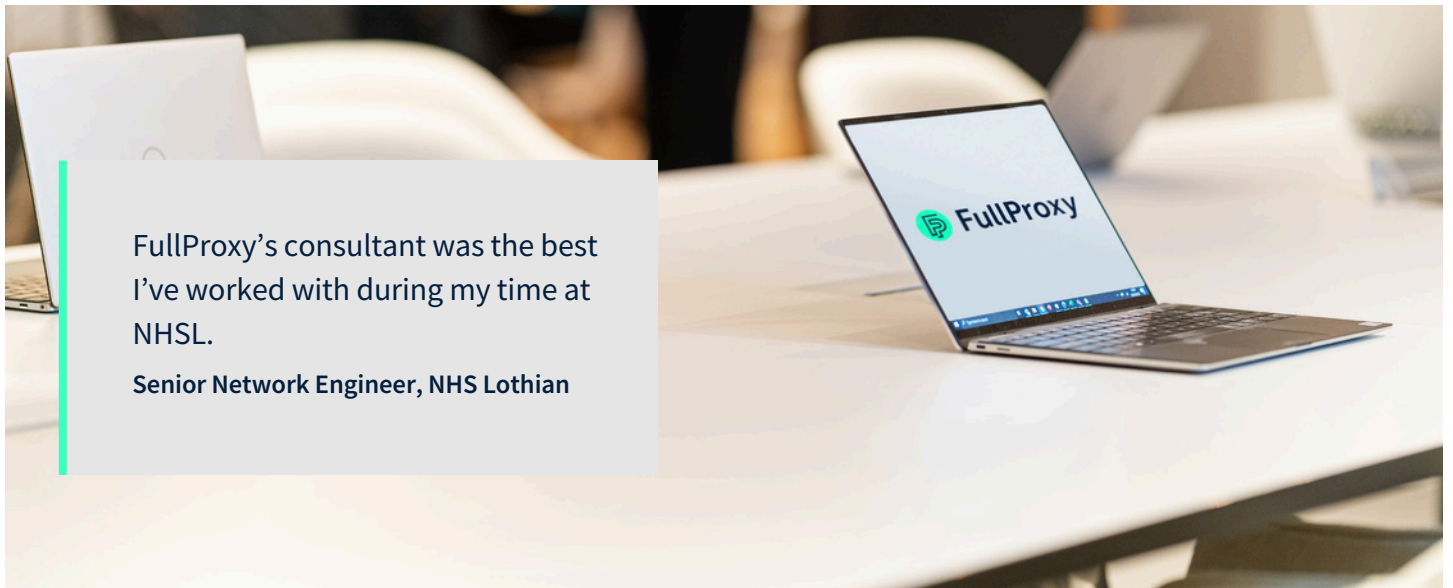

- Service desk for expert guidance and support with any issues.
- Monitoring for your critical systems and applications
- Keep your cyber security defences capable of withstanding emerging threats
- Integrate upgraded and new technologies

Support response times

4 hour SLA between Mon-Fri 8am-5pm

24/7/365 support is also available, please ask for more details.

Your Cyber Security Specialists

FullProxy are specialists in Cyber Security and Web Application consultancy. We optimise, install & manage premium cyber security solutions to minimise your security risk and maximise your return on investment.

Why work with FullProxy?

Our highly experienced consultants are Scotland's most certified F5 and Fortinet advisors, ensuring your implementation is seamless, your team is supported, and you achieve ROI from your implementation as soon as possible.

We also provide bespoke cyber security and web application strategy, with a curated portfolio of partner technologies to suit your needs.

FullProxy's size means we're agile and independent, so we can work alongside you to optimise the right solution for your organisation.

Our experience

Our extensive experience in delivering Public Sector projects means we have a deep understanding of your challenges and can therefore provide you with a better and more relevant service.

With a proven track record specifically in Healthcare, Education, Local Government, Financial Services and Critical Infrastructure we are trusted and recommended by people like you.
