

G-CLOUD 15

Cloud Services

Cloud Services

Cloud hosting offers several key technical features that contribute to the security, scalability, flexibility, reliability, and performance of cloud-hosted applications and services.

We provide tailored strategies and migration for private/public/hybrid cloud services. Our product portfolio consists of F5, Fortinet, AWS and Cloudflare services.

The service includes:

- Archiving, backup and disaster recovery
- Compute and application hosting
- Content delivery network
- Distributed denial of service attack (DDOS) protection
- Firewall
- Infrastructure and platform security
- Load balancing
- Logging and analysis
- Networking (including network as a service)
- Platform as a service (PaaS)

Benefits include:

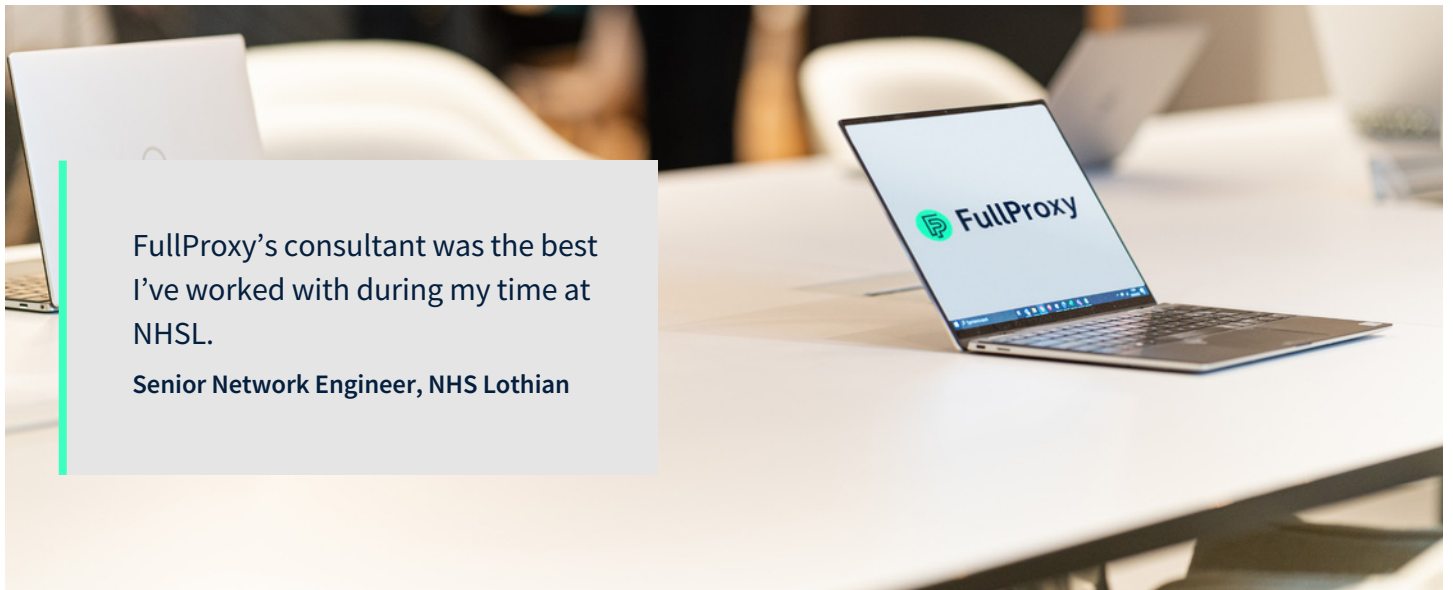

- Scalability
- Cost efficiency
- High availability and reliability
- Flexibility and agility
- Improved performance
- Security and compliance
- Automated backup and disaster recovery
- Simplified management
- Global reach and scalability

Cloud Services | Features

- Virtualisation
- Elasticity and scalability
- Resource pooling
- On-demand self service
- Pay-per-use pricing
- High availability and fault tolerance
- Automated backup and disaster recovery
- Content delivery networks (CDNs)
- Security and compliance
- Monitoring and management tools

Your Cyber Security Specialists

FullProxy's consultant was the best I've worked with during my time at NHSL.

Senior Network Engineer, NHS Lothian

FullProxy are specialists in Cyber Security and Web Application consultancy. We optimise, install & manage premium cyber security solutions to minimise your security risk and maximise your return on investment.

Why work with FullProxy?

Our highly experienced consultants are Scotland's most certified F5 and Fortinet advisors, ensuring your implementation is seamless, your team is supported, and you achieve ROI from your implementation as soon as possible.

We also provide bespoke cyber security and web application strategy, with a curated portfolio of partner technologies to suit your needs.

FullProxy's size means we're agile and independent, so we can work alongside you to optimise the right solution for your organisation.

Our experience

Our extensive experience in delivering Public Sector projects means we have a deep understanding of your challenges and can therefore provide you with a better and more relevant service.

With a proven track record specifically in Healthcare, Education, Local Government, Financial Services and Critical Infrastructure we are trusted and recommended by people like you.
