Cyber Security Health Check

Cyber Security Health Check

FullProxy's Cyber Security Health Check is a comprehensive assessment service designed to evaluate the security posture of your F5 and Fortinet infrastructure.

This proactive approach helps organisations identify potential vulnerabilities, misconfigurations, and areas for improvement, ensuring that their F5 or Fortinet deployments are optimally configured to mitigate cyber threats.

As an F5 Gold Unity partner and Fortinet Expert partner, we bring the unparalleled expertise you need to safeguard your network and maximise your return on investment. .

Benefits of a Cyber Health Check:

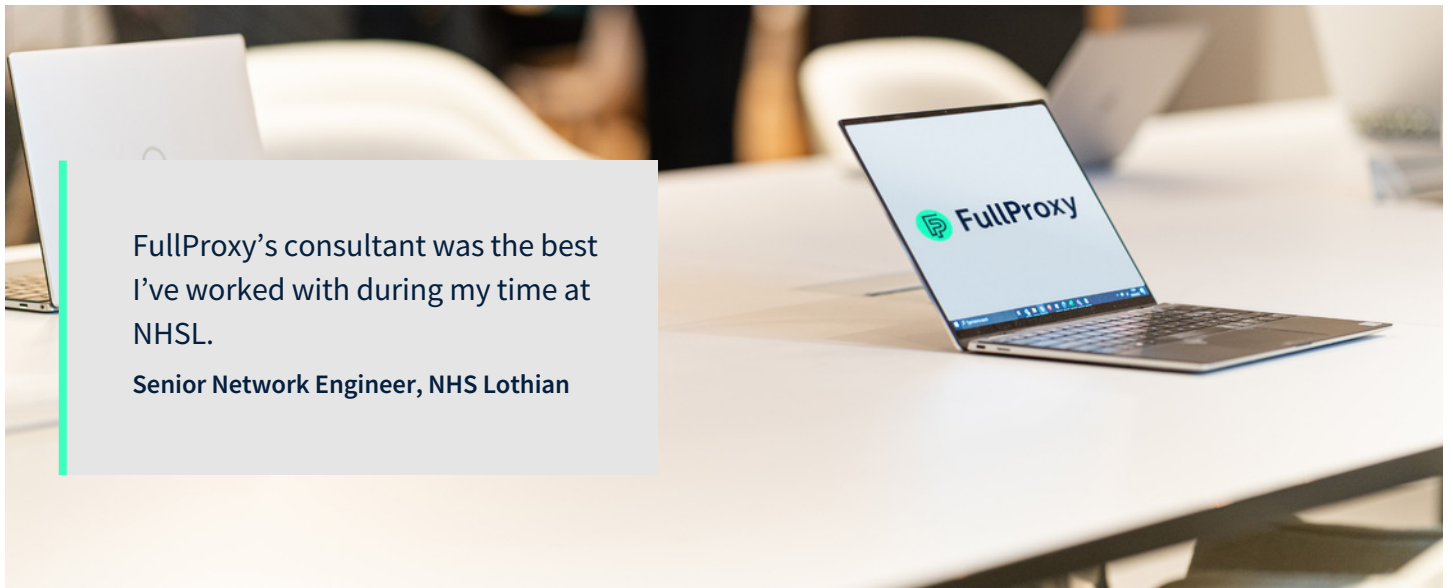

- Risk identification and mitigation
- Compliance assurance
- Enhanced security awareness
- Optimized security investments
- Incident response readiness
- Third-Party risk management
- Continuous security posture improvement

FullProxy's Cyber Security Health Check includes:

- Access to advice from technical consultants
- Risk assessment
- Security controls evaluation
- Vulnerability assessment
- Compliance review
- Policy and procedure review
- Incident response readiness
- Employee awareness and training
- Third-Party risk assessment

Your Cyber Security Specialists

FullProxy's consultant was the best I've worked with during my time at NHSL.

Senior Network Engineer, NHS Lothian

FullProxy are specialists in Cyber Security and Web Application consultancy. We optimise, install & manage premium cyber security solutions to minimise your security risk and maximise your return on investment.

Why work with FullProxy?

Our highly experienced consultants are Scotland's most certified F5 and Fortinet advisors, ensuring your implementation is seamless, your team is supported, and you achieve ROI from your implementation as soon as possible.

We also provide bespoke cyber security and web application strategy, with a curated portfolio of partner technologies to suit your needs.

FullProxy's size means we're agile and independent, so we can work alongside you to optimise the right solution for your organisation.

Our experience

Our extensive experience in delivering Public Sector projects means we have a deep understanding of your challenges and can therefore provide you with a better and more relevant service.

With a proven track record specifically in Healthcare, Education, Local Government, Financial Services and Critical Infrastructure we are trusted and recommended by people like you.
