

Sofia - prices

No student access (staff only/governance)

Item	Set up	Annual charge
Single curriculum	£16,500	£12,000
First API consumer	£800	£3,000
Subsequent API consumers	£800	£1,000

All prices are exclusive of VAT

Typical whole institution pricing for an institution offering ~100 subjects would be in the order of £50,000 to £80,000 annual fees, with set up pricing being based on the implementation model selected (full service through to train-the-trainer).

Sofia - prices

Student access (optional extra)

Item	Set up	Annual charge
Set up student access	£12,000	
0 to 2,000 students		£1,250 per 100
2,001 to 5,000 students		£600 per 100
5,001 or more students		£400 per 100

All prices are exclusive of VAT

As an example, an institution with 6,328 students would pay £47,200 per year for student access (£25,000 for the first 2,000 students, £18,000 for the next 3,000 students, and £4,200 for the remaining 1,328)
