Creating stronger, more resilient communities.

Step 1: Base Platform Subscription (required)

The Orlo Social Media Management Platform (SMMP) is the foundation of our service. A base platform subscription, scaled to your organisation's student population for higher and further education, is a mandatory prerequisite for listed packages.

What's included in your base platform subscription:

- **Core Management tools:** Full access to the Orlo Inbox for community management, advanced scheduling tools, and comprehensive analytics.
- **Included Social Accounts:**
 - 2 x X (formerly Twitter) accounts
 - 2 x Facebook accounts
 - 2 x LinkedIn accounts
 - 2 x Instagram accounts
 - 2 x YouTube accounts
 - 1 x TikTok account
 - 1 x Bluesky account
 - 1 x Threads account
- **User access:** Access for up to and including 499 named users
- **Foundational support:** Standard onboarding and support access

Base Platform Pricing by student for higher and further education population size:

Band:	Population size:	Total (exc VAT)
1	< 5,000	£10,000
2	5,001 - 10,000	£15,000
3	10,001 - 20,000	£25,000
4	20,001 - 30,000	£35,000
5	30,001 - 40,000	£40,000

Step 2: Optional Service Packages

To help you scale your digital capabilities, we offer three service packages. These bundles are designed to provide enhanced functionality, such as unlimited social accounts, integrations, and social listening at a preferential rate compared to purchasing individual modules.

These packages are available as enhancements and must be purchased alongside a Step 1: Base Platform Subscription. This ensures your organisation has the foundational infrastructure required to support these advanced features.

Module:	CORE	PLUS	ENHANCED
Annual package price:	£5,000	£10,000	£15,000
Unlimited Social Accounts	●	●	●

Step 3: Additional Services

We provide a range of additional services and standalone modules to ensure your platform is tailored to your specific requirements. These options allow for further customisation of your digital environment and can be added at any time during your contract.

To ensure these can be added during the term of your agreement, organisations should ensure their call-off contract value accounts for any potential future service expansion.

Module:	Total (exc VAT)
Social Listening (with 3 streams)	£8,000
Media Monitoring (with 3 streams)	£12,000
Additional listening & media streams	£1,500

Step 4: Standalone Voice Of the Community (VOC) product

Orlo's Voice of Community (VOC) product is available as a standalone solution, independent of our Social Media Management Platform (SMMP). You can purchase this service without purchasing the broader SMMP.

This standalone product includes survey creation & analysis and transactional surveys.

The table below provides a breakdown of the total annual costs by stock banding:

Band:	Population size:	Total (exc VAT)
1	< 5,000	£12,500
2	5,001 - 10,000	£20,000
