

Cyber Security Threat Monitoring

Pricing

Pricing is based on data ingested per day and is split into bands. Pricing is subject to a scoping call with the interested party to understand their infrastructure, after which a formal quote will be provided to ensure adequate coverage.

GB/day	Annual cost
5	£15,147
10	£25,246
15	£30,296
20	£35,345
25	£42,920
30	£50,492
40	£59,328
50	£68,165
60	£75,552
75	£83,965
80	£93,066
100	£111,084
