|------------------------------------------------|-----------|------|----------|
| Teams Phone Onboarding Workshops (Series of 6) | One off   | 1    | £5000.00 |

We offer a free of charge consultation, typically through a scoping call, to capture your requirements for telephony delivered through our SBC service.

Pricing is based on:

- One off setup fee.
- Fees relating to additional DDI numbers if requested.
- Fees relating to the porting of pre-existing numbers from your existing SIP Trunk provider into Jisc's SIP Trunk.
- Monthly rentals fees for the number of SBC sessions and SIP channels you require.
- Call charges, for calls not covered by the call minutes bundle.
- Consultancy and other configuration fees if required when integrating legacy system and setups.

### **Price changes**

For calls outside of the call minutes bundle these are subject to change at 30 days' notice. Typically, Jisc will reflect changes to our supplier costs which are based on the Telco wholesale line rental market.
