

# G-Cloud 15 Pricing Document

Cloud Data, Analytics & AI Training

# PRICING OVERVIEW

## Cloud Data, Analytics & AI Training

- This service is priced using a combination of role-based day rates for bespoke training delivery and fixed fees for publicly available training courses.
- All pricing aligns with the maximum day rates published in the G-Cloud Digital Marketplace and complies with G-Cloud 15 pricing rules.
- Ometis retains full accountability for service delivery, quality, and governance.

### Bespoke Training & Enablement - Day Rates

The following roles may be used to deliver bespoke training, enablement, and adoption services.

| Role                        | Role Description                                              | Max .Day Rate (£) |
|-----------------------------|---------------------------------------------------------------|-------------------|
| <b>Junior Consultant</b>    | Assisted delivery support and preparation under supervision   | <b>£650</b>       |
| <b>Consultant</b>           | Delivery of instructor-led training and enablement services   | <b>£995</b>       |
| <b>Senior Consultant</b>    | Advanced training, specialist enablement and complex delivery | <b>£1,250</b>     |
| <b>Principal Consultant</b> | Lead delivery, quality assurance and senior oversight         | <b>£1,450</b>     |

- Roles are generic and may span multiple disciplines
- Role mix is determined by service scope and delivery complexity.
- Day rates are fixed and represent professional time only
- All rates are exclusive of VAT

### Public Training Courses – Fixed Fees

Ometis provides scheduled, instructor-led public training courses.

# PRICING DETAILS

## What the Price Includes

- Practitioner-led training delivery
- Standard training materials and exercises
- Knowledge transfer and handover
- Service governance and quality assurance

## What the Price Excludes

- Software licences or subscriptions (procured separately)
- Travel and subsistence costs
- Bespoke content development beyond agreed scope

## Delivery Assumptions

- A standard training day is 7.5 hours
- Services are delivered Monday to Friday, excluding public holidays
- Delivery may be remote, onsite, or hybrid by agreement

## Travel and Subsistence

- Day rates and course fees exclude travel and subsistence.
- Where onsite delivery is required, reasonable travel and subsistence costs may be charged at cost and must be agreed in advance with the buyer.

## Discounts

Any volume or multi-course discounts agreed at call-off will comply with G-Cloud pricing rules and will not exceed published maximum day rates.
