Data Platform Set-up & Migration

# PRICING OVERVIEW

## Data Platform Set-up & Migration

- Pricing is based on role-based day rates applied to the delivery of defined services and outcomes.
- All rates align with the maximum day rates published on the G-Cloud Digital Marketplace.
- Pricing complies fully with G-Cloud 15 pricing rules and requirements.
- Ometis retains full accountability for service delivery, quality, and governance.

### Rate Card

The following roles may be used to deliver this service. Roles are aligned to CCS job families and SFIA levels for transparency, with final role selection dependent on service scope and delivery requirements.

| Role                        | Role Description                                                                                 | Max .Day Rate (£) |
|-----------------------------|--------------------------------------------------------------------------------------------------|-------------------|
| <b>Associate Consultant</b> | Delivery support across agreed service activities, working under senior oversight.               | <b>£495</b>       |
| <b>Junior Consultant</b>    | Assisted delivery across agreed service activities under supervision.                            | <b>£650</b>       |
| <b>Consultant</b>           | Delivery of agreed service activities, contributing directly to defined outputs.                 | <b>£995</b>       |
| <b>Senior Consultant</b>    | Advanced delivery of complex service activities, providing specialist capability and leadership. | <b>£1,250</b>     |
| <b>Principal Consultant</b> | Leadership, governance, and quality assurance across complex service engagements.                | <b>£1,450</b>     |

### Rate Card Notes

- Roles are generic and may span multiple disciplines
- Role mix is determined by service scope and delivery complexity.
- Day rates are fixed and represent professional time only
- Rates do not exceed those published on the G-Cloud Digital Marketplace
- All rates are exclusive of VAT

Vendor-agnostic approach

# PRICING DETAILS

## Delivery Assumptions

- A standard working day is 7.5 hours
- Services are delivered Monday to Friday, excluding public holidays
- Delivery may be remote, onsite, or hybrid by agreement

## Travel and Subsistence

- Day rates exclude travel and subsistence
- Where onsite delivery is required, reasonable travel and subsistence costs may be charged at cost and must be agreed in advance with the buyer

## Discounts

- Any volume discounts agreed at call-off will comply with G-Cloud pricing rules and will not exceed published maximum day rates
