This document outlines the breakdown of prices including implementation for Pro-Cloud Fleet for the benefit of G-Cloud users.

The prices set out in the table below includes initial set-up, implementation and training. Customer support is provided from the start and is available throughout the contractual period; this includes both online helpdesk and telephone support. Hosting via our provider Rackspace UK Limited is also included in the module pricing.

Pro-Cloud Fleet is an annual subscription service with the minimum term being three years.
