

MetricsLed DEPLOY

PRICING

DEPLOY is developed, maintained, and supported by MetricsLed, a trading name of Skotkonung Ltd. Skotkonung Ltd is an IT solutions company specialising in the design, implementation, and support of secure, web-based operational management and information systems.

A standard corporate licence—providing unlimited time logs, expenses, and invoicing—is priced at **£15 per user per month**, based on a minimum of 200 users. Licences are billed annually.

The licence fee includes support with client onboarding, provision of initial training materials, and four (4) hours of administrator training delivered either on-site or remotely. It also includes up to ten (10) hours per month of remote user support.

Additional on-site user training is available at a rate of **£100 per hour**.

Ad hoc user support and software training are available at a rate of **£100 per hour**. Reduced hourly rates may be agreed where support is pre-arranged or purchased in advance.

Please note: A user is defined as an individual registered on the DEPLOY platform with active two-factor authentication (2FA) enabled.
