Important Notes:

1. **Terms & Conditions:** All pricing is governed by Prosperon Networks Terms & Conditions, which apply to all bookings and services provided.
2. **Service delivery must be completed within 90 days** of the welcome call and is provided remotely only during UK business hours (09:00–17:00).
3. **Sessions are delivered in minimum blocks of 3.5 hours.**

4. **The customer environment must be pre-built in line with SolarWinds guidance prior to service commencement.** The service excludes custom development, scripting, or integrations. Late cancellation of scheduled sessions may result in reduced scope or additional delivery time being required.
5. **VAT and Additional Expenses:** All prices are exclusive of VAT. For onsite training, travel and accommodation expenses will be charged separately. These costs will be discussed and agreed in advance with the customer.

Cancellations and Rescheduling:

Cancellation refers to both cancellation and/or the rescheduling of Services by the Customer.

All cancellations or rescheduling must be submitted in writing (via email or post) and are subject to the following charges:

- **Cancellations received more than 10 working days prior** to the confirmed booking: **No charge.**
- **Cancellations received 5-10 working days prior** to the confirmed booking: **25% of the invoice value will be charged.**
- **Cancellations received 0-5 working days prior** to the confirmed booking: **50% of the invoice value will be charged, plus reimbursement** of any pre-booked travel and accommodation costs that cannot be refunded.

Service Booking Process:

- **Provisional Dates:** Provisional dates can be provided by Prosperon Networks. However, final confirmation of dates can only be given once the customer has placed an official order for the services.
- **Scoping:** Our consultancy team will work with the customer on a scope for the delivery, create a Statement of Works document outlining this, which the customer will sign as agreed delivery definition.
- **Scheduling:** Upon receipt of the customer order, Prosperon's Project Management team will confirm dates, agreed scope, and any training content. Once the dates are confirmed, a Booking Confirmation email will be sent to the customer.
- **Confirmation and Scope of Work:** After confirmation of dates, the assigned trainer will contact the customer directly to discuss the scope of work, ensure all requirements are clear, and provide any additional details about the course content and delivery format.
