About Us

Hey, we're Konsolute

We're a Microsoft Gold Partner and a friendly professional services and products company based in London that was founded by former Microsoft'ies. We combine strategic consultancy and technical expertise to help organisations unlock business opportunities with technologies that transform productivity, increase automation, unlock insight and stimulate business value.

Our promise

Our dedication to understanding customers' needs goes beyond products and technology. We solve customers' problems and offer new possibilities through an intelligent, holistic overview of their business needs. This ensures we consistently provide end-to-end solutions that add real value – now and in the future.
