Install and configuration is for basic setup and configurations. Does not include custom interfaces or data migration. Customizations can be determined for each project if necessary and we will provide a custom quote. Data migration depends on volume, data types and number of sources data migration is provided as a custom quote.

Knowvation SaaS includes a standard storage of 300 GBs for data. A quote can be provided for higher storage needs. For example:

Storage	Monthly price	Annual price
Additional 50 GB	£44.00	£528.00
Additional 1 TB	£352.00	£4,224.00

Training is for up to 8 hours for admin and 8 hours for search. Sessions are designed to meet customer needs and can be split up into 1-2 hour sessions.

All additional professional services charged at the rate of £1,400 per day. We recommend discussing the precise range of services needed through with us further.

Document load/indexing: £1,400 per day.

Interface customisation/web portal development: £1,400 per day.
