

## Pricing

### Project support

Our cloud support consultancy and training services are priced at **£760+VAT per senior consultant day, £980+VAT per director day** for most work undertaken including scoping, content development, training, strategy development, coaching and follow-up support. Consultancy, development and training projects are usually quoted to clients on a fixed price basis with an accompanying scope of work.

### Helpdesk support

Our services are priced at **£135+VAT** per hour for pre-paid, retainer-based support, and **£220+VAT** per hour for unplanned, pay-as-you-go support.

### Hosting maintenance support

Our services are priced at a flat rate of **£350 +VAT** per month (up to 500 users), **£450 +VAT** per month (500 to 2000 users) or **£550 +VAT** per month (2000 to 5000 users). Higher specifications available.
