**Our published cost serves as a baseline for our product pricing. However, we understand that each customer's needs and circumstances may vary. Therefore, we are open to negotiating custom pricing arrangements tailored to accommodate specific requirements, volume discounts, or other factors. Please feel free to reach out to discuss your pricing needs, and we'll work with you to find a solution that meets your budget and objectives.

UST provides migration as a service. While the UST team is required to assist during the initial discovery phase, the analysis, recommendation and migration modules can be operated independently without our support.
