- 15.2 If the Licensor is unable to resolve Major Errors as set out in Schedule 8 more than twice within a calendar month period, the Licensee may request an Exception Report which sets out the circumstances, corrective actions and timescales for their resolution. These will be discussed between the Licensor's Business Consultant responsible for the Licensee and the nominated representative for the Licensee. If the Licensor fails to meet the corrective actions in the Exception Report, or unresolved Major Errors occur again for the same reason, the Licensee may request a meeting with the Managing Director of the Licensor to discuss the issue – such meeting to take place within 21 days of the request. If the Licensee is not satisfied with the resolution of that discussion, the Licensee shall have the right to terminate the contract giving 90 days' notice and the Licensor shall provide electronic copies of the data in Licensed Programs to the Licensee before the expiry of that period. The Licensor shall refund to the Licensee the pro-rata portion of the Annual Licence Fee paid in advance whereupon this Agreement shall immediately terminate.

- 15.5 Save as expressly provided in Clause 15.1, 15.2 and 15.3 or elsewhere in this Agreement the Licence may not be terminated.
- 15.6 Forthwith upon the termination of the Licence, the Licensee shall return to the Licensor the Licensed Program Materials (but excluding all Client Data) and all copies of the whole or any part thereof or, if requested by the Licensor, shall destroy the same (in the case of the Licensed Programs by erasing them from the magnetic media on which they are stored) and certify in writing to the Licensor that they have been destroyed. PROVIDED THAT the Licensee may extract and store any Licensee data (including Client Data) upon a separate media for continuity purposes.
- 15.7 Any termination of the Licence or this Agreement (howsoever occasioned) shall not affect any accrued rights or liabilities of either party nor shall it affect the coming into force or the continuance in force of any provision in this Agreement which is expressly or by implication intended to come into or continue in force on or after such termination.
- 15.8 The Licensor shall not decommission the hardware on which the data is owned until the earlier of delivery of the extract set out in 15.9 to the Licensee or 30 days from the termination date. - 15.9 Without prejudice to clauses 15.2, 15.6 and 15.8, the Licensor shall within 30 days of the termination of this Agreement and only at the written request of the Licensee (such written request to be received by the Licensor within 14 days of the termination of this Agreement) return all Personal Data processed and held on the Licensed Programs on behalf of the Licensee under this Agreement (including all Client Data). The Licensor shall provide the Personal Data (including all Client Data) as a copy of the Database on data storage media or streamed to a secure file transfer location supplied by the Licensee. Where collection of Personal Data (including all Client Data) in person is agreed, a duly authorised representative of the Licensee must collect the extract in person and the Licensor's obligation to return the Personal Data will be fulfilled when it notifies the Licensee that the Personal Data (including all Client Data) is available for collection. Within 30 days of the termination of this Agreement, or within 30 days of a written request of Licensee to return all Personal Data (whichever is later), the Licensor shall destroy all copies of the same and notify the Licensee that it has done so. For the avoidance of doubt, the Licensor shall have no obligation to retain or return the Personal Data (including all Client Data) if a written request to return all Personal Data (including all Client Data) is not received by the Licensor within 14 days of termination of this Agreement or if the data storage media is not collected within 14 days of the Licensor notifying the Licensee it is ready for collection or if the secure file transfer location is not provided to the Licensor by the Licensee within 14 days of the written request to return Personal Data (including all Client Data).
- 15.10 The Licensor shall be entitled to charge for the assistance set out in 15.8 and 15.9 at its standard daily rate set out in Schedule 3 in the event of a termination of this Agreement resulting from a breach of this Agreement by the Licensee or either party giving notice as set out in Clause 3 but such charge shall not exceed £6,250 plus VAT.

- 16.3 Each Party shall indemnify the other Party against any reasonable losses, liabilities and costs which it suffers solely and directly as a result of a breach of this Clause 16 or from any breach of the Data Protection Laws. This obligation shall survive the termination or expiry of this Agreement.
- 16.4 The Licenser shall grant to the Licensee, its authorised agents and any regulator of the Licensee, access to its premises, facilities, equipment, documents and electronic data including such records as may be reasonably requested to verify the Licenser's compliance with this Agreement, including the Processing of Client Data by the Licenser.
