

WellData – G-Cloud 15 Pricing

WellData provides database and infrastructure managed services on a fixed price basis.

Prices quoted are based on the technology, use and availability/cover required.

WellData can also perform major upgrades, consolidations and project work at day rates depending on the level of complexity and the consultancy required.

Consultancy Day Rates

Block booked discount rates, to be used within one year of booking:

- 10 – 19 Days 5%
- 20 – 29 Days 7.5%
- 30+ Days 10%

DDaT Role	Day Rate
Data engineer	£1,229
Senior data engineer	£1,374
Developer	£1,229
Senior developer	£1,374
Data architect	£1,574
DevOps engineer	£1,229
Senior DevOps engineer	£1,474
Infrastructure engineer	£1,229
Senior infrastructure engineer	£1,374
Infrastructure operations engineer	£1,229
Senior infrastructure operations engineer	£1,374
Senior application operations engineer	£1,091

Managed Service Rates

Subject to a minimum contract value of £1,152 / Month
