Date: 20th and 21st September 2023
Time: 9.00am - 3.30pm

Join the Apple Learning Institute to access unique and exciting professional development opportunities resulting in an Apple Learning Leader accreditation. This exclusive educational program invites school leaders to build essential skills when tackling technological change in a collaborative and innovative environment.

Event Overview

The Apple Learning Institute is perfect for school leaders who wish to improve and enhance technological embedment in their educational organisation.

Attendees can expect to...

- Enhance Leadership Skills
- Build a Digital Learning Plan for their school
- Collaborate with peers to improve technical skill sets
- Gain an Apple Learning Leader accreditation

Key Information:

- You can book up to 3 places per school on this course.
- This course is designed for senior leaders with a responsibility for the development and or delivery of your schools Digital strategy.
- The course runs for 2 days, therefore attendance is required for both days in order to complete the course successfully.
- Refunds are not available if, for any reason, you are only able to attend part of the course.
- Payment is not processed at the point of booking. Once your booking has been processed, a member of our education team will contact you to arrange payment.

€200.00 per ticket
