Pricing Model

Job Role	Daily Rate
Chief Information Security Officer	£1,500

Pricing Conditions

- Pricing will be calculated in line with the applicable costs. Additional costs may include tooling licenses and hosting costs.
- Pricing is given on a time and material basis.
- A Scope of Work will be produced with the exact requirements prior to the beginning of works.
- All pricing is in GBP and exclusive of VAT.
- All work is based on resources working normal United Kingdom business hours, 09:00 – 17:30, unless agreed otherwise.
- Pricing does not include any incidental expenses, including travel, unless specified otherwise.
- Changes in scope, requirements or assumptions will be subject to change control and additional costs dependent on how the changes affect the agreed Scope of Work.
